### **JIGNASA SINHA** NEW DELHI, JUNE 22

DELHI POLICE Special Cell has arrested a man from Bihar and apprehended his minor brother for allegedly leaking data from CoWIN, the government's web portal for Covid-19 vaccination registration. Police said the two

illegally accessed information on

the portal, retrieved personal de-

tails of a few individuals and cre-

ated a bot, which was uploaded

The Intelligence Fusion and Strategic Operations (IFSO) unit of the Special Cell lodged an FIR earlier this month for the alleged data breach and analysed the Telegram channel where the data was being shared. Several raids were conducted and the main accused, a 22-year-old unemployed man who has completed B.Tech from a Bihar institute, was arrested from Patna.
