

**Adhikari seeks NIA action on Trinamul MLA:** Leader of Opposition in the West Bengal Legislative Assembly Suvendu Adhikari, has demanded today that the National Investigation Agency (NIA) must inquire Trinamul Congress (TMC) legislator Narendranath Chakraborty (photo right) over his recent remarks concerning the 22 April Pahalgam terror attack. Mr Chakraborty, the MLA from Pandaveswar and TMC's West Burdwan president, reportedly made a public statement suggesting detailed knowledge about the circumstances surrounding the attack that killed 26 people. His comments included references to the withdrawal of security arrangements prior to the incident—an assertion Adhikari says raises serious concerns. "This is not a matter to be taken lightly. If an elected representative has prior knowledge of a terrorist attack, the NIA must take him into custody and question him to ascertain the source and veracity of his information," Adhikari said on X-handle.
