

PM Modi virtually lays foundation stone for 23 stations under ABSS

Along with six road-under bridges and two road-over bridges within the jurisdiction of Northeast Frontier Railway

STATESMAN NEWS SERVICE SILIGURI. 26 FEBRUARY

rime Minister Narendra Modi virtually laid the foundation stone for 23 railway stations under the Amrit Bharat Station Scheme (ABSS), six road under bridges (RUB), and two road over bridges (ROB) within the jurisdiction of Northeast Frontier Railway (NFR).

People's representatives belonging to the BJP, including Darjeeling MP Raju Bista, local MLAs, officials, local residents, and even students, virtually joined the Prime Minister's programme here to watch the laying of the foun-

dation stone for the redevelopment of 554 railway stations as ABS, 1,500 ROB, and underpasses across the nation.

The Chief Public Rela-

tions Officer, NFR, Sabyasachi De, said, "These stations under ABSS will act as 'city centres' integrating both sides of the city. They will have mod-

ern passenger' amenities like a roof plaza, beautiful landscaping, intermodal connectivity, an improved modern façade, a kids' play area, kiosks, food courts, and other facilities. These stations will be redeveloped to be environment-friendly as well as Divyang-friendly. The design of these station buildings will be inspired by local culture, heritage and architecture."

After attending the programme virtually, Darjeeling MP Raju Bista said, "The central government will be developing 45 stations across West Bengal as 'Amrit Bharat Stations' for Rs 2184.1 crores, including key hubs such as

Siliguri Junction, New Jalpaiguri Junction, Jalpaiguri, Alipurduar, Aluabari Road, Dalkhola, Dhupguri, Haldibari, and other stations in North Bengal."

"Our government will also

be constructing 51 ROBs and an underpass for Rs 597.8 crore. The total investment under the 'Amrit Bharat' scheme for the state of West Bengal has been pegged at Rs 1881.9 crores," Mr Bista said, adding, "The Indian Railways has already constructed 22 rail flyovers and under-bridges, installed 110 foot over bridges (FOBs), and facilitated the installation of 63 lifts and 53 escalators, enhancing passenger convenience and safe-

ty in the state."

"This significant increase underscores our government's dedication to accelerating the progress of railway projects in West Bengal. Currently, Indian Railways is undertaking 44 projects spanning 4,209 kilometres in length, at a total cost of Rs 50,915 crores in the state," Darjeeling MP claimed.

"During the tenure of the UPA government, the average annual budget allocation for railway development in West Bengal stood at a mere Rs 4,380 crore. However, under the leadership of Modi Narendra Modi, this allocation has been tripled to Rs 13,810 crores per year," he added.

State-centre handshake must for dev: Guv Bose

STATESMAN NEWS SERVICE HOOGHLY, 26 FEBRUARY

Prime minister Narendra Modi today virtually laid the foundation stone for redevelopment of Bandel station. Present on the occasion was Governor C V Ananda Bose and higher officials of Eastern Railways.

Prime minister spoke

about the development work that has taken place in the last 10 years and laid much stress on upgradation, modernization and world class development work in the Indian railways.

He said, "The development work in the railways has its far reaching positive effects even in the grass root level of the society. The development work in the railways strongly adheres to the heritage importance of a place, (virasat aur vikas) upholding the heritage, tradition and cultural importance of a place."

Governor Dr CV Ananda Bose speaking on the occasion said, "Prime Minister Narendra Modi is well known for his double engine government. Today is a gamechanging day. The Prime minister is laying the foundation stone for the upgradation of railway stations in the state as well as underpasses, more than Rs 700 crore is being spent for West

Bengal by the Centre." The Governor laid stress on students and the upcoming generation. He said, "They should be made aware of the progress and developmental work; they should feel that they are also a part of the ongoing progress and development and should grow with a positive mindset.
